Primary School Certificate

I am a web developer with a strong background in creating responsive and visually appealing websites. I specialize in HTML, CSS, and JavaScript, which allows me to build user-friendly interfaces. My goal is to develop efficient and accessible web solutions that enhance the user experience.

WORK EXPERIENCE

Github open source project (from 2022)

Since 2023, I have actively contributed to my GitHub profile, amassing 111 contributions this year across 23 repositories. This experience has strengthened my skills in code management, collaboration, and project development. I am dedicated to maintaining and enhancing my projects, aiming to deliver reliable and impactful solutions.
